

# Rhode Island WIC PROGRAM

## Vendor Minimum Inventory Requirements for WIC Approved Pharmacies

WIC-allowed formulas must always be kept in stock. They must be in sales areas, or upon request, and immediately accessible to the WIC shopper. To remain in good standing with the WIC Program, vendors must have WIC-allowed formulas readily available for review by WIC officials at the minimum inventory levels listed below. RIDOH will not include excessively priced formulas, out-of-code, altered or contaminated formulas, and damaged containers in calculating inventory levels.
